Description

Angsty, awkward 15-year-old Ginny Miller often feels more mature than her 30-year-old mother, the irresistible, dynamic Georgia Miller. After years on the run, Georgia desperately wants to put down roots in picturesque New England and give her family something they've never had: a normal life. But it's not all carpool and Kombucha; Georgia's past threatens her and her family's new lifestyle, and Georgia will do anything to protect her family.
